1. The following information has been received from a reliable source:-

2. "Several students at Goldsmiths College, Leicham Way, SE14, held a 24-hour sit-in in the Registrar's Office from noon on Thursday 14 November 1974 until noon on Friday 15 November 1974.

3. The sit-in was believed to have been organised by left wing factions within the College and was in protest against the present students grants, particularly in respect of married women students, who are demanding parity with other students. The sit-in had been designed to coincide with the 'Students Action Week', culminating in the large demonstration on the afternoon of 15 November 1974."
