SPECIAL BRANCH

4th day of September 1981

SUBJECT

1. Submitted herewith are the minutes of a meeting of the London H Block/Armagh Committee which was held on 28.8.81. The minutes, received from a source who was not present at the meeting, are self-explanatory.

Reference to Papers

2. Information has been received from the same source that Belfast Provisional Sinn Fein are paying for the visit to London of the 100 relatives of the hunger strikers. This visit is mentioned in the minutes under the heading "Relatives delegation".

London H Block/Armagh Committee

3. In connection with this visit arrangements are being co-ordinated by **Privacy** and **Privacy**, of the London H Block/Armagh Committee. It seems that the London H Block/Armagh Committee and London Troops Out Movement (TOM) have each pledged £100 towards a target figure of £400 which the organisers feel is required for sundry expenses in connection with the visit of the "delegation".
