METROPOLITAN POLICE

SPECIAL BRANCH

Special Report

5th day of February 19 81

SUBJECT

1. The following information has been received from a reliable source:-

2. "In an attempt to reduce the wages bill for full-time workers within the Socialist Workers Party, several leading members have recently been requested to accept 'technical dismissal' from Paped Industrial News Services, Reading Lane E8 (The holding company through which the Socialist Workers Party rents its headquarters at the above address and pays its full-time workers).

3. In line with this decision, [Privacy] and [Privacy] have all signed on at their local Unemployment Offices and are now in receipt of the appropriate benefit. This move is also seen as an excellent opportunity for leading members of the Party to develop contacts from the ranks of the unemployed whom they will meet when 'signing on'".
