APRIL 23rd is 2 years since the pigs killed Blair
Peach. We shall try for a mass picket of Eltham
police station-so start spreading the word.
Loads of stickers, posters etc already available
But get the spray cans going.

We want to get a network of people ready to put
posters up in their area. So get hold of as much
paste as possible. If everyone posters their own
patch we'll have half of SELondon covered.

Have YOU any ideas for a RTW poster?
Or aRTWM sticker a photo can be reduced and a
slogan added. Or a cartoon. Whats needed is the
Ideas, RTW already has access to the machines and
the funds to produce them.

Its been suggested that we try and raise money to
buy a transit-to be used for transport to demos &
moving equipment for RTWM gigs & discos.
Is it a good idea and how do we raise the £700 odd
needed, if we think it is.

Don't forget the RTWM is everyone of us, every
one can do something.
