1. The following information has been received from a reliable source:-

2. [Redacted] Privacy (previously referred to as [Redacted] Privacy) is an active member of the East London Branch and the University Section of the Revolutionary Communist Party (RCP);

3. [Redacted] Privacy, who is a student in her final year at [Redacted] Privacy College, University of [Redacted] Privacy, spends most of her time in East London, where she shares a flat with [Redacted] Privacy and [Redacted] Privacy. [Redacted] Privacy, when [Redacted] Privacy remains overnight in [Redacted] Privacy, she apparently stays with various friends, as she no longer maintains accommodation there.

4. [Redacted] Privacy has worked with the RCP for about two years and became a branch member of the organisation in June 1981. She is a committed member of the organisation and must give very little time to her academic studies as she maintains a very high level of activity in the RCP. [Redacted] Privacy appears to have a close relationship with [Redacted] Privacy. They invariably attend RCP social functions together.

5. [Redacted] Privacy has a current account (no. [Redacted] Privacy) at the [Redacted] Privacy Branch of Lloyds Bank, which recently has shown a credit balance in excess of one thousand pounds. In September 1981 she apparently withdrew £1,000 (one thousand) pounds from an investment account with the Metropolitan Borough of Dudley (account no. [Redacted] Privacy) which she held in her own name.

6. [Redacted] Privacy is about 21 years old; 5'3" tall; short cut light brown hair; very slightly plump with a large bosom. Although she claims to come from [Redacted] Privacy, she speaks with no discernible accent. She normally wears jeans, plimsolls, and occasionally a beret."
