1. The following information has been received from a reliable source:-

2. "The International Marxist Group is to hold a six month fund drive, from December 1976 to May 1977, during which it is hoped to raise £15,000 towards the launching in May of the new IMG newspaper and the moving of the national IMG apparatus into new premises. Of this sum the London IMG will be expected to raise £3,000, a sum based on an effective membership of about 170".
