

S.B. No. 1 (Plain)

METROPOLITAN POLICE

SPECIAL BRANCH

Special Report

13th day of May 1982

SUBJECT

1. The following information has been received from a secret and reliable source:-

2. Privacy, born Privacy, has not been seen in Socialist Workers Party (SWP) circles in the North-West area of London during the past year. Early in 1981 he was asked by his flat-mates to leave his accommodation at Privacy Privacy after they had discovered that Privacy had been regularly stealing money from them. He is now living at Privacy.

Reference to Papers

Privacy

3. Privacy is a very insecure person who suffers from schizophrenia and has on two occasions, when staying at a comrade's house, gone berserk and wrecked the room in which he was sleeping. Several SWP members have felt sorry for him and offered him accommodation, but, after his bouts of unreasonable behaviour, have had to evict him."
