SUBJECT

1. The following information has been received from a secret and reliable source:-

2. " [Privacy] born [Privacy], has not been seen in Socialist Workers Party circles in the North-West area of London for the past two and a half years. 3. [Privacy] is a very lazy person and his first job training as a train drivers' assistant in the summer of 1979 ended because he was unable to make the effort to get out of bed each morning and arrive punctually for the training course. Most of his political activities have been as one of a group following behind his SWP 'heroes'. It is unlikely that he will become involved in future left-wing activities through his own volition."
