S.B. No. 1 (Plain)

Special Report

19th day of May 1982

SUBJECT

1. The following information has been received from a secret and reliable source:-

2. "Privacy born Privacy, has not been seen in Socialist Workers Party circles in the North-West London area for the past two years. His SWP activities were curtailed in 1979 when his parents insisted that he should concentrate on his school examinations otherwise they would withdraw him from the private school he was attending."
