Special Report

28th day of May 1982

SUBJECT

1. The following information has been received from a secret and reliable source:-

2. " Privacy has been forced to leave his address at Privacy as the local council has decided to renovate the buildings. It is not known where he now lives.

3. He has not been seen in Socialist Workers Party (SWP) circles in the North-West London area for the past six months. He was persuaded to join the SWP by Privacy Privacy but it would appear that he soon became disillusioned with the party.

4. Privacy suffers from bouts of severe depression for which he has received medical attention.

5. His description on file remains accurate."
