Special Report

SUBJECT

1. The following information has been received from a secret and reliable source:

2. "Members of Red Action and other extreme left-wing groups normally meet at the "Carpenters Arms" Pl., 12 Seymour Place, W1, prior to attending political rallies and marches that commence at Speakers Corner, Hyde Park, W1."

3. It is worthy of note that Red Action is a group of expelled members of the Socialist Workers Party (SWP) who believe in "Squadism" - small groups breaking away from the main body at demonstrations and violently confronting the "enemy".

4. The SWP is dealt with on 400/82/52.
