of [redacted] is an active member of the Barnet Branch of the Socialist Workers Party and of the Barnet Branch of Rebel (the SWP Youth Movement). He has been a member of the SWP for the past twelve months.

3. The subject, who is a schoolboy at East Barnet Upper School, Barnet, recently led a 'strike' at his school in protest against the ban imposed there on the wearing of trousers by the schoolgirls.

Born about 1963; height 5'9"; slim build; short hair, dyed blond (but dark at the roots); ear-ring in left ear lobe; 'punk' appearance; effeminate manner."

6. Submitted herewith is a recent photograph of the subject. It is a fair likeness.
