MEMORANDUM FROM R.5/R.7x [redacted]

File Ref. L. Liaison file

At the risk of sounding pedantic I still do not think we can fit your proposed new title into the L. file number series.

Policy file exists to contain papers concerning "F6 correspondence & arrangements about agents & informants run by MPSB (SDS)" - we feel that two such similar titles would cause confusion.

Ideally L. liaison file should hold only personal details relating to the SDS sources and the existing file title should be adequate for this purpose.

Agreed with F4 [redacted] that the new title should be "F6 correspondence concerning agents and informants run by Special Demonstration Squad MPSB".

This form must not be detached except by the Registry. [redacted]
