SWP in South London

Intelligence relating to disaffection between individuals within local groups, and with Central group.

3. Bearing these points in mind, we would be interested in details of:-

- a. [redacted] future within the party as well as that of her major supporters.
- b. The identity of her successor and the location of the district's headquarters (the old one having been at [redacted] address).
- c. future branch and district plans.
- d. future policy direction, particularly as regards blacks.
- e. the composition of the DC and, where applicable, of the branches organisation.

4. We would also be interested in receiving details of plans relating to those members of Womens Voice who renounce their SWP membership but retain their revolutionary socialist beliefs.
