REVOLUTIONARY COMMUNIST PARTY (RCP) - PREPARING FOR POWER

16-22 July, Polytechnic of Central London

Thank you for arranging for part of this conference to be covered. Without knowing exactly when your source is going to be available to attend, it is difficult to produce an exact brief.

2. Whilst appreciating the constraints involved, our ideal coverage would be as follows:

- a) A general report on the organisation and attendance at the conference, including some estimate of the number of political close contacts gained by the RCP as a result of the conference.
- b) [REDACTED] a specific interest in [REDACTED] particularly as [REDACTED] is thought to have engaged [REDACTED] during his last visit to [REDACTED]

c) [REDACTED]

3. Ticket sales are currently running at around 150/170. The proportion of RCP members who intend to attend the conference is not yet known.
