4.12 Relationships entered into

N155 admitted to having a number of liaisons, although he would not necessarily use the term 'relationship' as they were very short lived. He stated that he needed to live a 'full alternative lifestyle' in all aspects, but could not recall the specifics. None of the relationships were medium or long term. He stated there were 'groupies' who wanted to spend the night with someone who was close to the SWP Central Committee. He was reluctant to discuss matters further, but thought that he would only have given the women his first name. He does not recall their names. He stated that not all of the 'dalliances' (his word) would have led to sex. He initially stated there may have been 2 or 3 women but then said there may possibly have been a few more, and that the encounters would have followed
