

Core participants Ruling 45

“Lizzie”

1. On 10 May 2017, “Lizzie” was designated as a core participant in Category [H]. By a letter dated 19 April 2022 her solicitors on her behalf applied for her designation to be cancelled. The reasons given are personal and need not be set out here.
2. Designation requires the consent of the person designated. In the case of “Lizzie” that has now been withdrawn. I therefore accede to her request. She will cease to be a core participant with immediate effect.
