1. HN13 (SDS Field Officer) who is an active and trusted member of the Communist Party of England (Marxist-Leninist) is to attend a National Conference of this Party called on the anniversary of the October Revolution to be held in Birmingham at the YMCA, Constitution Hill from October 28th to 30th. Attendance is estimated at about 200 members.

2. There is no public order issue involved but I have been in contact with Supt. [redacted] (West Midlands S.B.) solely regarding the question of photographic coverage who would appreciate the facilities of our photographic team to this end especially during the hours of darkness and I recommend that D/S [redacted] travel to Birmingham on Friday 28th October to cover the evening registration and one day of the Conference on Saturday 29th October. *agreed*

3. It is therefore hoped that a good identification of national membership and information on the future policies of the C.P.E. - M.L. will result.

  
Chief Inspector.
