Memorandum.

Special Branch  
4th October 1977

1

Commander Operations

*Agreed*

1. The International Marxist Group has directed national support for a demonstration against the National Front at Hyde, Manchester, on 8/10/77.
2. This will be under the auspices of the London Anti-Fascist Co-Ordinating Committee and will take the form of a picket outside Hyde Town Hall.
3. At least one S.D.S. field officer will be obliged to take part in this left-wing demonstration and bearing in mind the likelihood of conflict I propose that C.I. Pryde and D.S. Walker go to Manchester on Saturday 8/10/77 to liaise with local S.B. and look after our interests.
4. If you agree, C.I. Pryde will make the necessary arrangements with Greater Manchester Police.
