Copy S.B. report  
(Original to Ch. Supt. 'C' Squad for action)

. . . 1A

Chief Supt. 'S' Squad

At least four of our S.D.S. field officers are under heavy pressure from their organisations to take part in the demonstration in Blackburn and refusal on their part would undoubtedly put their cover at risk. It is proposed, therefore, that they be instructed to join their 'colleagues' in the day's activities and that D.I. McIntosh and D.S. Walker travel to Blackburn on the Saturday morning to be on hand should any difficulty arise.

2.

Commander, 'Ops' :

In the past, at Winchester and Leicester, when S.D.S. officers have attended, it has been deemed prudent that an officer of not lower rank than Inspector, should be present, just in case any of them run into trouble. As a Chief Inspector, I was present at Leicester, in 1974, together with the D.I. in charge of S.D.S.

I recommend, therefore, that the S.D.S. officers go to the demonstration in Blackburn on Saturday, 11th September, 1976 and that Inspector McIntosh and Sergeant Walker attend, also.

With D.S. WALKER, I attended Blackburn, on 11.9.76, where the demonstration took place. No untoward incident occurred. About 3,000 persons took part in the proceeding, which were dampened by heavy rain.
