1. The following information has been received from a reliable source:

2. "A meeting of the London Branch of the ISC was held at the 'General Picton' public house, Killick Street, N1, from 8.30 to 9.30 pm on 22.10.71. There were about 20 persons present. The Chairman was [Redacted] Privacy

3. [Redacted] Privacy opened the meeting by announcing that the publicised 'Forum' would not be taking place as [Redacted] Privacy (the speaker) was unable to attend due to another commitment. It was therefore proposed that the meeting should discuss the 31.10.71 AIL demonstration and the part to be played by the ISC. It was generally agreed that all ISC members would meet at the Kentish Town starting point and march from there to Hyde Park. The slogans to be used on the banners and to be shouted were discussed and some of those decided on were 'British Troops Out of Ireland', 'Release All Political Prisoners'. It was also agreed that a leaflet be prepared by the ISC to advertise the demonstration and that members distribute it some time after next Wednesday. [Redacted] Privacy agreed to produce it once [Redacted] Privacy had prepared it.

4. [Redacted] Privacy also announced that the 'Welcome Home 'Butch' ROCHE' party would be held on 30.10.71 at 8 pm at the 'Roebuck' public house, Tottenham Court Road; tickets would be 20p each.

5. [Redacted] Privacy next gave a brief report on the demonstration held recently in Glasgow by the ISC at which several people had been arrested following a clash with supporters of Ian PAISLEY. She then appealed for money to help the ISC supporters arrested.
