METROPOLITAN POLICE TELEGRAM

C.O. Form 14

Serial No. [1] [redacted]

Time of Origin [2] [redacted]

25th day of October, 1968.

From Chief Supt. 'UD' [3] t. [redacted], Collator 'UD')

To Chief Supt. Special Branch

Forwarded at

Received at 10.25a.m.

I have received information that students at the LSE have been discussing ways of disrupting road and rail traffic. There have been suggestions that concrete obelisks will be placed in the roadway and iron bars placed across the electric lines of suburban railways. No specific roads or railway lines were mentioned.
