1. A meeting was held in F6 [REDACTED] office on the morning of Tuesday 7 April with Detective Inspector Trevor Butler and Detective Inspector [REDACTED] HN68 of the SDS. They arrived fairly promptly at 1200 and after the meeting I took them up to the canteen for a drink and a snack lunch.

2. Items discussed were:

(a) A request from F7 [REDACTED] for the SDS to provide:

(i) membership figures for the RCT

(ii) how the system of membership within the RCT operates

(iii) does the RCT keep lists of membership cards?

(iv) does membership of ELWAR imply membership of the RCT?

(v) details, if possible, of any technical coverage operating on ELWAR. (SDS stated that they had no coverage at all.)

(b) It was mentioned that [REDACTED] the RCG might [REDACTED] possibly be of interest to the SDS. The SDS said that they would have a look at their file on the RCG and would contact me again if they considered it warranted a closer look.

(c) At the request of F7 [REDACTED] the SDS were informed that there was a possibility that the SWP in the south east area of London might be amalgamated with Kent. Could the SDS try and verify this?

(d) [REDACTED] SDS provided an update on their 'hairies' personnel.

(e) The SDS asked if it would be possible to have a list of members and their photographs of Freedom Collective. If this was possible it would help their "source" close to the organisation to identify other members. I said that I would ask the desk concerned.

(f) The SDS asked if we wanted details of those people who were beginning to apply to join the Right to Work march scheduled for May. After consulting the desk I told the SDS that we did not have an intelligence interest in these people.

3. We agreed to meet again in my office at 1200 on Tuesday 5 May.
