MPSB (SDS) Lectures to TC/D

1. As we discussed earlier, SDS are prepared, in principle, to respond to an invitation to lecture to our agent-running courses. From my conversation with H/SDS, I believe they would prefer, for obvious reasons, to restrict this participation to "in-house" audiences only.

2. H/SDS, DCI Mike FERGUSON, has said he will undertake this commitment himself and will await a formal invitation from yourself.

3. Could you please keep me informed of developments?
