Pt III

26 March 1981

Dear David,

You wrote to Robert Andrew on 23 March about the Special Demonstration Squad.

We note the continuing value of the squad and, in view of your assurances about the security of its operations, agree that it should continue.

You may take this letter as authority to continue with the arrangements and to incur expenditure of £22,310 in 1981/82.

Yours sincerely
David Heaton
