24th October, 1968.

Attached herewith is a copy of a recent circular which has been issued by the October 27th Committee for Solidarity with Vietnam, and which does not appear to be actionable.

Information has also been received from a very delicate source that [Privacy], Secretary of the (Maoist) October 27th Committee for Solidarity with Vietnam, and A. MANCHANDA, General Secretary of the British Vietnam Solidarity Front, are trying hard to persuade the Vietnam Solidarity Campaign to unite with their demonstration outside the American Embassy on the 27th October.

The following groups of demonstrators will meet as follows for the march organised by the Vietnam Solidarity Campaign on 27th October, 1968:-

*"E" AWARDS
(IN 00900)*

Camden Committee for Peace in Vietnam - Southend Green, N.W.3 - 11.45 a.m. and then march to the Embankment.

North London Vietnam Solidarity Campaign - Camden ^{TOWN} Underground Station - 12.30 p.m. then by train to Charing Cross (20-30 persons expected).

North West London Vietnam Solidarity Campaign - Southend Green, N.W.3 - 12.45 p.m. then by train to Charing Cross (boarding at Belsize Park Station).

The tactics to be adopted by North London V.S.C. are to form groups of six supporters (to be arranged when they assemble at the underground station) for mutual support and rescue should any of their number be arrested.

The Revolutionary Socialist Student Federation are canvassing support for a plan to "occupy" the University of London Senate House from Friday, 25th October, 1968, until Monday, 28th October, 1968.

The heroic People's Liberation Armed Forces and the people of South Vietnam are trouncing the American aggressors, the main enemy of the people of the world.

PEOPLE'S VICTORIES IN SOUTH VIETNAM

From January to June, 1968

Total enemy troops killed, wounded and captured 360,000

U.S. and satellite casualties 133,000

Aircraft shot or destroyed on ground 4,400

IN NORTH VIETNAM, U.S. aircraft shot: 3,152
from August 1964 to September 12, 1968.

The strong blows of the Vietnamese people against U.S. imperialism are a powerful support to the national liberation movements of Asia, Africa and Latin America, and to the revolutionary struggles of the working class in Europe and North America.

U.S. imperialism is in dire straits at home and abroad. Other reactionary forces for example, the Soviet social-imperialists (socialist in words, imperialist in deeds), U.Kant, the Pope, Indira Gandhi are all hectically hatching plots to bring succour to their master.

The Soviet revisionist renegade clique has made deals with U.S. imperialism for the re-division of the world and of spheres of influence. Having secured the tacit agreement of the Johnson administration for the military occupation of Czechoslovakia, it has given a free hand to U.S. imperialism in Vietnam and the Middle East. The Soviet revisionist renegades are keeping up their pressure on the heroic Vietnamese people to surrender to the U.S. aggressors through the Paris "peace talks" plot.

BRITISH IMPERIALISM - U.S. STOOGE

The Wilson Labour government aids and abets U.S. aggression in Vietnam in every way it can. In order to bring relief to the hard-pressed U.S. economy it has devalued the pound, frozen wages and created the worst unemployment in the last 25 years. Overseas, it colludes with U.S. aggression; at home, it viciously attacks the working class, their hard-won democratic and trade union rights. This month, three million engineering workers are coming out in strike in opposition to these attacks.

The Labour government, representing U.S. imperialism and the bosses, hates the militant demonstrations of the youth and workers against U.S. imperialism. It uses police brutalities to suppress the revolutionary spirit of the workers and militants and protects the lair of the aggressors, the U.S. embassy.

U.S. and British imperialism are both enemies of the Vietnamese and British people. The struggle against U.S. imperialism is the struggle against British imperialism.

The revolutionary people all over the world resolutely support the people's war for the liberation and unity of Vietnam, under the leadership of the South Vietnam National Liberation Front (N.L.F.) and the beloved Vietnamese leader, Comrade Ho Chi Minh, who is the symbol of independence and unity to all Vietnamese. But the U.S. imperialists and their agents attack the N.L.F. and Comrade Ho Chi Minh.

FALSE SOLIDARITY AND ACTUAL BETRAYAL

Like the reactionary Labour government, the leaders of the Vietnam Solidarity Campaign (V.S.C.), and the Young Communist League (Y.C.L.), deceive their rank and file members. They are out to aid U.S. imperialism. Hence their plot to divert the October 29th march away from the main target, the U.S. embassy. Hence, also, their opposition to the slogans "Victory to the N.L.F.", and "Long Live Ho Chi Minh".

Our revolutionaries must expose and oppose the plot of the Wilson government and the V.S.C.-Y.C.L. clique to divert our demonstration away from the main target. Let us all unite in a single demonstration and march to the U.S. embassy, the lair of the aggressors!

U.S. IMPERIALISM: Stop Bombing The North, Get Out of South Vietnam!

Victory to the NLF!

Long Live Ho Chi Minh!
