Dear Sir,

As a follow-up to yesterday's meeting, [Redacted] has asked me to send you, with his compliments, a copy of the circular letter to Chief Constables of 29 May 1974 on subversive activities in industrial disputes and of a similar circular letter of 16 December 1975 on subversive activity in schools. The latter was agreed by Sir Michael Hanley with Sir Arthur Peterson and you will note in particular the cautious terms of its second paragraph.

Your sincerely,
