D A Nicholls Esq
Cabinet Office

13 December 1976

Dear

D A Nicholls

Please refer to your draft report for the Subversion (Home) Committee dated 1 December 1976, concerning "The Threat of Subversion to the UK". The document as it stands is quite acceptable from the standpoint of Metropolitan SB and I have no comments or alterations for inclusion within the report.

I look forward to receiving a final copy in due course.

Yours

Smiley

Victor Roberts

Deputy Assistant Commissioner
