1. The following information has been received from a reliable source:-

2. "At a recent meeting of the London Secretariat of IMG concerning the National Front Annual General Meeting on 11 October 1975, it was decided that comrades involved in anti-fascist committees should carry out mobilisations, minor mobilisation should be carried out in the student field, and all available comrades should attend the demonstration.

3. It was stressed, however, that the major task for the IMG at the present time was to mobilise for the Medical Committee against Private Practice Conference to be held at City University on 11 October 1975.

4. The Secretariat decided to support the picket of the Angola Solidarity Committee outside the Unire Embassy at mid-day on 16 October 1975".
