

Core Participants Ruling 49

Recognised Legal Representatives Ruling 41

Cost of Legal Representation Awards Ruling 38

Judy and Marva Lewis

1. I will designate Judy and Marva Lewis as core participants in category F in place of Hyacinth, Clinton and Maureen Lewis and designate Jules Carey as their recognised legal representative and make an award of costs in their favour.
2. On 2 October 2020, I designated Hyacinth, Clinton and Maureen Lewis as core participants in category F for the reasons set out in the decision of that date. Those reasons still obtain. For reasons which have been explained to me, which I accept, they are no longer able to participate effectively in the Inquiry, so that if their family is to do so, it must do so through the two applicants who are the surviving children of Hyacinth and Clinton Lewis. I have been provided with evidence of their means, which I accept. They are not such that it would be reasonable to require them to fund the cost of legal representation, which they will require to permit them to participate effectively in the Inquiry.
